EXPLANATORY.

At the annual town meeting holden in June 1902, the town voted to adopt the Town System of schools, and pursuant to law, three disinterested persons were appointed by the court for the purpose of fixing a valuation upon the school property in the various districts, which was accordingly done as shown by the table published in this book. The General Laws also provides that at the annual assessment, after the acceptance of the Commissioner's report, the assessors shall levy an amount equal to the Commissioner's valuation upon the property of the town, and that the town shall deduct from this assessment to the taxpayers in each district, an amount equal to the valuation of its school property.
